

Dear Parents/caregivers

We would like to advise you that we will be running the Teacher Assisted Study Centre (TASC) program again in 2023.

The aim of TASC is to support students in unpacking and completing Assessment Tasks as well as assisting them with extra tuition to support their completion of classwork and homework. Teachers from a number of faculty areas will work with students to support the learning that takes place in the classroom.

Assistance and tuition will be designed to complement the themes and concepts taught in class and build on the student's overall subject understanding whilst improving skills in literacy and numeracy.

All students in all years are invited to attend.

Day and Time: Tuesdays from 3.10 – 4.10pm

Where: School Library

TASC will commence in week 4 of Term 1 on Tuesday 14 February 2023.

If you would like your child to participate in this year's TASC program, please complete the permission slip below and return to the front office.

I give permission for my son/daughter _____ of year _____ to participate in the TASC program to be held in the school Library on Tuesday afternoons.

I understand that TASC will run from 3.10 -4.10pm and that I will need to make arrangements to pick up my child at the conclusion of the session.

As this is a learning environment, I understand that any inappropriate or disruptive behaviour during TASC may result in my child being removed from the program.
